

# **Android 210 - Lecture 9**

## **Project Presentation**

Margaret Maynard-Reid  
March 16, 2015

# Android News

- [No surprise here: safety tests show smartwatches distract drivers](#)
- [New details for Samsung's new round smartwatch surface](#)
- [Trying On the Apple Watch: Natural Feel, Fewer Distractions](#)

# Homework 4

- [How do we add .svg files to our drawables res folder?](#)
- Deletion on the item details screen is an acceptable implementation
- SQL statement must be precise
- If you get stuck, ask for help

# Review From Last Week

- Can you update UI from a non-UI thread?
- Once you create a new thread, how do you perform UI updates?
- What is an AsyncTask?
